Thank you for your enquiry regarding Christian Home Education using the ACE curriculum. Please find enclosed the TEACH Prospectus which we trust you will find informative. If you need any clarification as you read, please feel free to discuss with us further. We are pleased to know you are considering taking the step to educate your children with this bible based programme.

It is important that you see the ACE curriculum if you have not yet done so. Our National Telephone Advisor and Home School Co-ordinator, Elaine Kirk, (home telephone : 01530-263162) will make contact within a couple of weeks to see if she may be of any help. You are welcome to phone her as soon as you like.

We have some parent training on how the ACE programme works that we require either one or both parents to complete, this introduces the master learning concept etc.,

Having prayerfully decided that you would like to join TEACH please follow these steps :

- Remove and complete the Application for Enrolment form found in the centre of the Prospectus.
- Consider which membership payments best suit you :
 - a) Either Annual Membership and enclose cheque or card details (regret we cannot take Electron or American Express) Costs : £139 for one child £151 for two or more children.
 - b) Or spread the cost – use Monthly Standing Order Form (if you have a UK bank account) as follows :-
NB* Enclose payment for the current and next month's membership – non refundable - then arrange for payments to commence the same day in the third month. Costs are £13 for one child £14 for two or more
 - c) Associate Membership – this discount is available for families who live outside the UK and Ireland for more than six months of every year. Costs : £69 for one child £76 for two or more.

Complete the Parent Training/diagnostic Materials Order Form and enclose payment– we will post the training and diagnostic materials to you for you to work through in your own home.

Stage 1

After we receive your 1) TEACH Application for Enrolment and 2) order form for student diagnostic tests / parent training materials with 3) payment, then materials are posted out for you to do at home. NB* Membership commences as soon as we process your application for TEACH Enrolment and is not postponed.

2/.....

2/...

The parent training takes approximately 20 hours to complete and will answer many questions regarding the ACE programme, i.e. what is involved, how a student's starting level is determined, what record keeping is required, etc. When this has been done (or at the same time if you prefer) the child/children can proceed with the diagnostic testing (if they have already started school).

Stage 2

Post the Parent training tests and diagnostic work back to us to assess - we will advise on each student's "curriculum prescription" and assist in making out your first order. There is a Scope and Sequence where you can find the content of each workbook (called a PACE) at the back of the Homeschool Handbook which you will receive.

All new families are always very eager to begin, so please be assured we will do our best to work with you in getting started as soon as possible. **Please allow 3-4 weeks** for this whole process to take place from the point of enrolment to receiving your first order **(NB * allow for extra time August/September due to generally a busy period)**. Parent Training must be completed before you can order.

Alternatively you may wish to attend a week long "Professional Training Course" here in Swindon, Wiltshire - this is for home school parents who feel they really want "more" input about how to work the programme, and for all those who work in the ACE schools - it is a very encouraging time for all, though demanding! The week course fee is around £80 then there is the cost of accommodation and meals too on top of that to consider - but this is just an option - the smaller pack of training is sent out to parents to do at home.

For details on the International Certificate of Christian Education, Growing Families International, School of Tomorrow curriculum, Student Convention 30th March to 3rd April, Annual Homeschool Conference 7th to 11th September, and Futurekids (IT), please visit our Web Site (see above).

We would be very happy to include you in the ever-growing number of homeschoolers and we look forward to hearing from you in the near future.

Yours sincerely in Christ,

Felicity Devine (Mrs)
TEACH Assistant
